Mediterranean Naturals

Monte Carlo Beauty is a brand that harnesses the power of natural ingredients found in the Mediterranean region, to create skin care formulations that are rich in polyphenols, amino acids, vitamins, and minerals. The ingredients include extract of olive leaf, maritime pine bark, and ulva lactuca seaweed, which all act to help moisturize and provide antioxidant protection for the skin. Among the product range are moisturizing gels, masks, and creams, along with cleansers, serums, and scrubs, and a moisturizing milk for the body. The products are made up of 97% natural ingredients, and are carried in Monaco, Spain, and Japan, along with being sold on the brand's website.
