

MONTE CARLO

Monte Carlo Beauty was founded by Vanina Broens who grew up in Africa where she became aware of the treasures that nature holds and offers to take care of the skin. She created Monte Carlo Beauty to develop conscious skincare respectful of the skin and the planet.

Monte Carlo Beauty eco-luxury skincare is made in Monaco, formulated with a minimum of 97% natural ingredients, free of nasty by-products, and has clinically proven results. It is suitable for sensitive skin and has been tested under dermatological control. They are vegan, cruelty-free and sustainably packaged.

Ingredients you won't find in our skincare: paraben, phenoxyethanol, PEG, phthalate, silicone, mineral oil, ingredient of animal origin, alcohol, synthetic fragrance, colouring agent.

Transform your skin with our moisturizing boosters made with Mediterranean powerful ingredients: they restore optimum skin hydration levels to help your skin recover its radiance.
